

ABOUT PAGE CHANGES

Change the first page on about section to the one below:

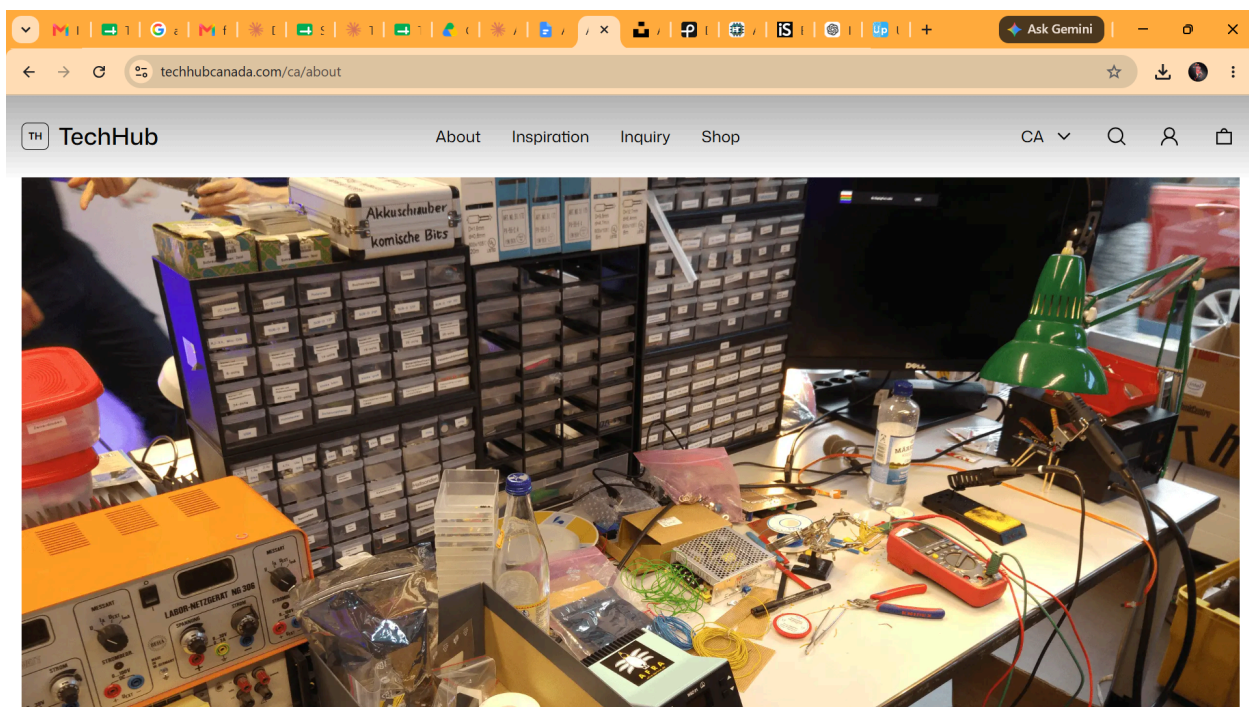

(image sent through email please access from there)

We help customers shop for computers, printers, tablets, networking equipment, software, ink, toner, parts, and accessories.

Change to “We help customers shop for computers, laptops, tablets, networking equipment, software, printers, and accessories”

Change this image on the about section to the one below:

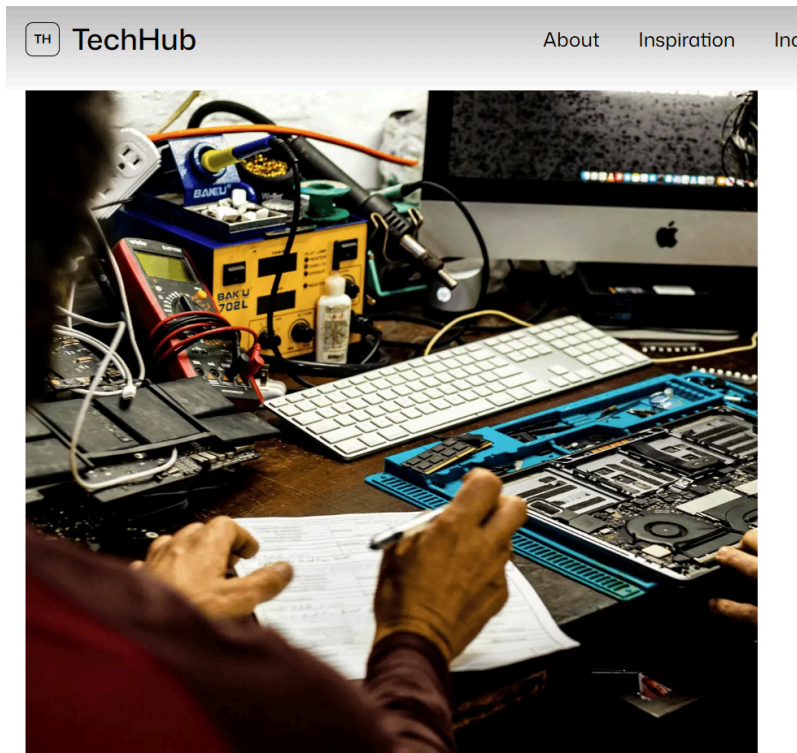

(image sent through email please access from there)

Remove this part:

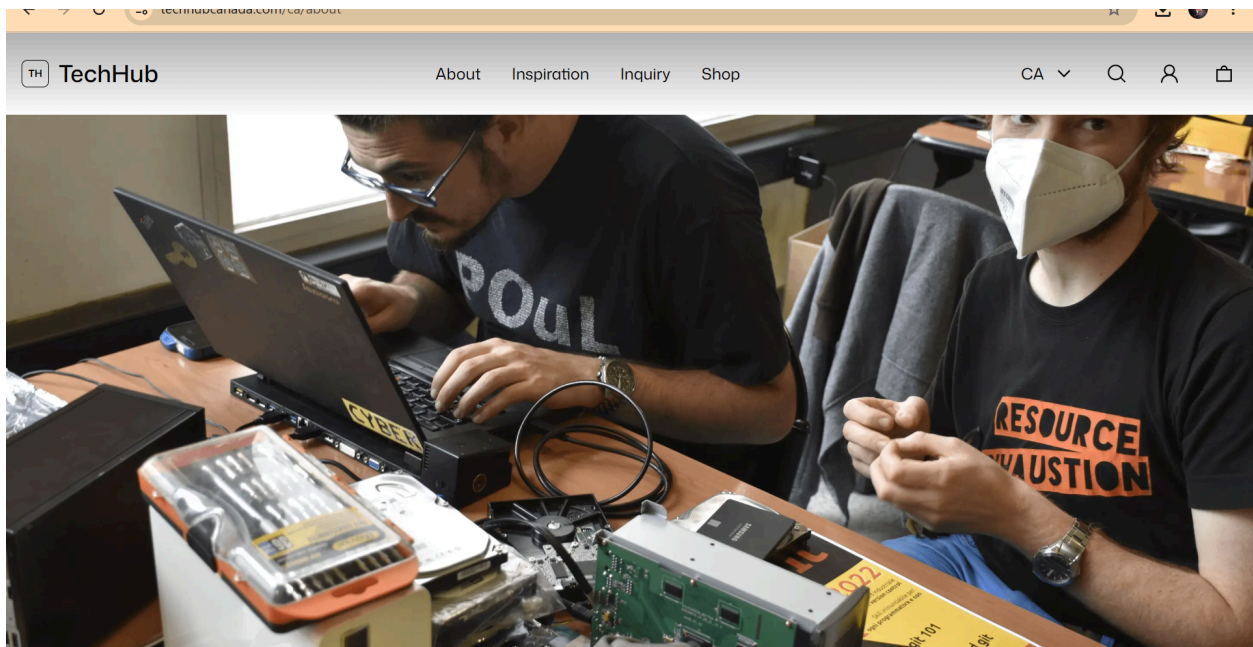

We work with customers who need a new computer, a stronger network, a printer that fits their workflow, or parts to keep a device running longer.
